

## Selection Process - Program in Biotechnology

The selection process for the Biotechnology Program will comprise three stages:

I – Project Evaluation - (eliminary stage) - grades from zero to ten (0-10);

II - Curriculum Vitae Analysis – (classificatory stage);

\*III – interview - (eliminary state): The applicants will have from 10 to 12 minutes for their project presentation, followed by questions about their project, Curriculum Vitae and previous experience. The grade will be given by an examining board of three members, from zero to ten (0-10). The interviews will be conducted in English.
