

GRADUATE PROGRAM IN PHARMACEUTICAL SCIENCES – PPGCF

NOTICE 014/2024/PROPE/ASSIN

FOREIGN VISITING RESEARCHER SCHOLARSHIP – BPV I – 2nd Edition

EVALUATION CRITERIA OF PPGCF

JUNE 2024

CRITERIA FOR THE INTERNAL SELECTION OF FOREIGN VISITING RESEARCHER SCHOLARSHIP

The internal selection within the scope of PPGCF/UFSJ will occur from June 24 to 28, 2024, in a single stage and will consider the provisions of item 6 of NOTICE 014/2024/PROPE/ASSIN. The selection committee will be composed of the Collegiate of PPGCF. The selection criterias are presented below:

Criterion 1. Mandatory Documents (Eliminatory Criterion)

Item	Requested documents according to item 6.3 of the notice
A	
<p>I – Statement signed by the candidate for Visiting Researcher Scholarship (as per Annex of the notice; available at: https://ufsj.edu.br/portal2-repositorio/File/prope/Ingles.docx).</p> <p>II – Curriculum of the Visiting Researcher: electronic document of the academic curriculum (in the foreign language and a simple translation to Portuguese).</p> <p>III – Copy of the passport page with the photo of the Visiting Researcher.</p> <p>IV – Work Plan to be fulfilled by the Visiting Researcher at the UFSJ's PPG: the activities to be carried out, relevance, contribution, and expected results should be indicated (signed by the visiting researcher).</p>	

Criterion 2. Academic-Scientific Merit of the Candidate (Classificatory Criterion)

Item	Classificatory criterion	WEIGHT
B	Academic-scientific merit of the candidate	1
C*	H Index	1
<p>The candidate will be scored according to ANNEX I.</p> <p>* Scores:</p> <p>10 points – H Index (Web of Science) ≥ 30</p> <p>5 points – $29 \leq$ H Index (Web of Science) ≤ 15</p> <p>2 points – H Index (Web of Science) < 15</p>		

Criterion 3. Work Plan Proposed by the Candidate (Classificatory Criterion)

Item	Criterion	WEIGHT
D	Research plan proposed by the Candidate	1
The work plan will be evaluated according to the following criteria: <ol style="list-style-type: none">1. Relevance of the work plan to the internationalization of PPGCF – 2.5 points2. Clarity of the proposal (objectives) – 2.5 points3. Feasibility of the work plan and schedule (17 to 30 days) – 2.5 points4. Impact of the expected results for increasing the national and international visibility of PPGCF – 2.5 points		

Criterion 4. Alignment with PPGCF Research Lines (Classificatory Criterion)

Item	Criterion	WEIGHT
E	Strategic research line that supports the Program's research lines	1
10 points if aligned with the research lines, and 0 points if not aligned. Linhas de pesquisa do PPGCF: <ol style="list-style-type: none">1. Synthetic Natural Products and Medicines: This research line encompasses studies on the chemical, biological, and toxicological evaluation of natural and synthetic substances and the development of new products in in vivo, in vitro, and in silico models. Additionally, this line includes studies on the development of new drugs, quality control, evaluation of the efficacy of medicines, and pharmaceutical products.		

2. Biosciences Applied to Pharmacy and Rational Use of Medicines: This research line includes experimental and clinical studies aimed at diagnostic, epidemiological, and therapeutic investigations, including the evaluation of molecular and biochemical biomarkers; studies on the use of medicines; effectiveness and safety of drugs; evidence-based practice; pharmaceutical care; pharmaco-economics; pharmacovigilance; pharmaceutical services, and education.

Criterion 5. Contribution to the Internationalization and International Impact of the Program

Item	Criterion	WEIGHT
F*	Ranking of the home institution according to the Center for World University Rankings (CWUR)	1
*The highest ranking will score 100 points, and the others will be calculated using a simple rule of three;;		

Notes:

- **At the time of registration, the absence of any mandatory documents listed in Criterion 1 (Item A) will result in the disqualification of the candidate;**
- The final score will be obtained by the simple sum of the candidate's scores..

ANNEX I

SCORING TABLE FOR EVALUATING THE CURRICULUM VITAE FOR THE SELECTION OF SCHOLARSHIP HOLDER FOR POSTDOCTORAL INTERNSHIP ABROAD

Curriculum vitae of the last 5 years (printed from the Lattes Platform - 2020 to 2024)

Item	Score	Sub-total
1. Technical-scientific production		
1.1 Complete article published in journal		
a) $JCR \geq 3,5$ or Qualis CAPES A1	10.0	
b) $3,49 \geq JCR \geq 2,0$ or Qualis CAPES A2	8.0	
c) $1,99 \geq JCR \geq 1,0$ or Qualis CAPES A3	6.0	
d) $0,99 \geq JCR \geq 0,5$ or Qualis CAPES A4	4.0	
e) $0,49 \geq JCR \geq 0,1$ or Qualis CAPES B1	2.0	
	Total	

Notes:

1- There is no scoring limit;
